

To,

Divyam Verma

Co-Founder, The Vision

Subject: Letter of Admission to UPES Incubation Program

Dear Divyam Verma,

This has reference to the meeting and multiple discussions regarding your desire to be the part of incubation program of the university.

We are pleased to invite you to the incubation program in order to develop your idea related to **Health Tech**.

As an incubatee inside UPES Council for Innovation and Entrepreneurship you will be mentored both by Internal and External subject matter experts. The term of your association would be for a period of **two years** beginning from **23rd September 2020 and ending on 22th September 2022**. This period may be extended by UCIE at discretion on a request made by you.

During the period of Incubation, you would use the following facilities as an incubate

Internal Mentors	LCD Screens
External Mentors	Laboratories
Flexible Office Space	Research Database
Meeting Rooms	Cafe of Refreshment
Printer	Library

We expect you to follow the decorum in line with University policies and principles along with the specific objectives of UCIE.

The Objectives of the UCIE UPES are as follows,

- To promote the entrepreneurial mindset among students and faculty of UPES
- Help incubate organisation to leverage existing infrastructure- Physical or otherwise
- Develop and mentor business plan in objective to successful incorporation of the incubatee organisation.

Thank You

Mr Mohit Nagpal

Assistant Professor (SS)

Senior Manager, UPES Council for Innovation & Entrepreneurship.

University of Petroleum and Energy Studies
